To Whom It May Concern:

My son, Landon, and I wanted to thank you for the fantastic job that ProGrass did installing our batting cage. The quality of the cage and the athletic synthetic turf is top of the line in every way. The cage has endured many hours of use this summer and has greatly assisted Landon in his batting skills. The quality of the product, the synthetic turf, and the installation has all been first-class.

Thank you for doing this job the way that it was done.

Sincerely,

David Dombrowski
